* West Coast Conference

Home games in **Bold** and played at Torero Stadium

The USD men's soccer team will begin the 1997 season with a goal of returning to post season play. Last year, the Toreros streak of four consecutive seasons in the NCAA Tournament ended, being denied a bid despite a 10-3-5 record and losing fewer games than 22 teams in last year's tournament field. The Toreros also look to regain the West Coast Conference crown which they last won in 1995.

This year's team returns nine starters, including the WCC Player of the Year and West Region All American, **Leighton O'Brien** and three All-WCC Second Team members; **Matt Geske**, **Tim Durkin** and **Jamie Munro**. In his two years, O'Brien has become one of the finest players in Toreros history. He is the youngest player ever to win the WCC Player of the Year award and is the one of two players to win both the Freshman of the Year and Player of the Year awards in a career. O'Brien earned honors after leading the WCC in points (33), and assists (13) and ranking second in goals (10). He also ranked in the top ten in all three categories in the West region.

Geske ranked second on the team in goals (7) and points (16) and seventh and tenth in the WCC. Munro received his third All Conference honor after after scoring five goals and totaling 12 points during his junior year. Durkin is the experienced leader of the defense with 53 games under his belt.

Lafe Vittitoe, **Keith Finnigan**, **Brian O'Connor** also return to the starting lineup this season, compiling 21 points between them in 1996.

Another battle in the nets will take place as the Toreros have three goalkeepers trying to win a starting job. **Carlos Castellanos** and **Joe Panian** return for their senior seasons and are joined by freshman **Na'Ron Akins**. Last season Castellanos ranked second in the WCC with a 0.67 GAA, the lowest of his career. Panian started in 12 games and was responsible for six wins while shutting out three teams. Akins was a member of the U.S. Under-17 Junior National Team.

Once again the Toreros will have several players with international experience to contribute. Returnees **Michael Deery** (Ireland), **Keith Finnegan** (Ireland), **Federico Seitun** (Italy), **Nicholas Kalafatich** (Germany), **Miguel Suazo** (Costa Rica), and **Daniel Blake**

(Ireland) have either grown up or spent some time overseas. Two new additions, **Roland Weisheit** (Germany) and **Bruno Tosello De Oliveira** (Brazil), bring the total of players with foreign experience to eight.

Head coach **Seamus McFadden** begins his nineteenth season at the helm of the Torero soccer program and is a four-time West Coast Conference Coach of the Year recipient. He is the winningest coach in the WCC over the past five years with 68 wins and has guided the Toreros to the NCAA tournament five of the past seven years.

The '97 Schedule

San Diego will face four Top 25 teams and a tough conference schedule in their quest to return to the NCAA Tournament. The Toreros kick off the 1997 season with a home match versus Oregon State before taking part in

four tournaments. The Toreros' tournament schedule includes trips to Fresno State and Evansville and their annual home tournaments, the Diadora Cup and the MetLife Classic. The Diadora Cup takes place September 12-14 with Cal State Fullerton, Boston and Sacramento State competing. The Toreros host the MetLife Classic September 19-21 with Old Dominion, UC Santa Barbara and Cal Poly San Luis Obispo coming to town.

The road to the WCC title will begin on October 12 with a 2:00 pm contest versus San Francisco. USD also has home conference matches against Loyola Marymount (Oct. 31) and St. Mary's (Nov. 7) while taking to the road in

WCC play at Santa Clara (Oct. 17), Gonzaga (Oct. 24) and Portland (Oct. 26).

WCC and the Far West Poll

There are two important aspects of the USD season: How the Toreros fare in the West Coast Conference race and where they stand in the Far West Region rankings.

The WCC race offers a means for automatic qualification into the NCAA tournament. At-large bids into the NCAA generally go to the top four teams seeded in the Far West Region poll conducted by the ISAA. Last year two WCC teams competed in the NCAA tourney.

A LOOK AT USD SOCCER HISTORY, ITS TRADITION AND IMPACT...

Pipeline to the Pros

Since the late 1980s, many USD players have moved on to the pro ranks following their collegiate careers. The USISL had six former Toreros playing in its league at some point. (Chugger Adair, David Beall, Chris Duke, Paul Gelvezon, Kevin Legg, Toby Taitano) Guillermo Jara and Scott Garlick are the two Toreros playing in the newly formed Major League Soccer.

The West Coast Conference

The WCC is considered one of the top soccer conferences in the nation. WCC teams have reached the NCAA Final Four five times in since 1988 (Portland 1988 & 1995; Santa Clara 1989 & 1991; USD 1992) with Santa Clara becoming co-national champs in 1989. San Francisco owns four national titles. In 1993, the WCC placed four teams in the NCAA tournament, more than any other conference.

Torero Stadium

Soccer night at Alcalá Park draws with the best collegiate programs in the country in terms of attendance. Last season alone, USD drew close to 12,000 fans for nine home dates, averaging 1,306 spectators per game. USD ranked eleventh in average attendance last year. On six occasions, USD has drawn over 3,000 fans to Torero Stadium.

MetLife

Perhaps the biggest highlight of the USD home soccer season, the annual MetLife Classic draws more fans, media coverage and excitement to Torero Stadium than any other event. By lending its name and support, the MetLife Company and USD have teamed to field one of the best tournaments in the West. This season, USD will host Old Dominion, UC Santa Barbara and Cal Poly San Luis Obispo.

Toreros Travel To Ireland & England

The Toreros took a two-week trip to Ireland and England this past August to compete against several club teams in the region. The 14-day journey began in Dublin, Ireland and continued down to Cork before ending with a three day excursion just outside of London. Some of the highlights of the trip included a visit to the Blarney Castle and the Blarney Stone and a chance to see an English Premier League game between the Arsenal and the Coventry. It was the second time Head Coach Seamus McFadden had taken his team to his native homeland of Donegal, Ireland for enriched experiences overseas and soccer play different to what most of the players were accustomed to in the United States at the collegiate level.

With the recent success enjoyed by the Torero soccer teams the last few years — five NCAA Tournament appearances in seven seasons — it is easy to overlook the remarkable job Coach Séamus McFadden has done building the program from the ground up. McFadden has been named West Coast Conference Coach of the Year a record four times ('95, '94, '92, '86), has coached four Defensive Players of the Year, three Offensive Players of the Year and two Freshman Players of the Year.

McFadden arrived at USD in 1979 and fielded USD's first team in the fall of 1980. That same year he was quoted in the team's yearbook as saying: "I have no doubts that in the near future the University of San Diego will become a force to be reckoned with in Southern California intercollegiate soccer." How prophetic his words turned out to be.

The 1986 Toreros won 19 of 24 games. The 1990 squad, led by the first of McFadden's four All-Americans, dropped just three games the entire season and advanced to the NCAA Second Round. Those who know McFadden closely could see the writing on the wall many years earlier, when the Irishman led Mesa JC to a 30-4 record over two seasons while at the same time guiding Clairemont High to consecutive CIF-San Diego Section titles and the La Jolla Cup.

The whole puzzle came together in 1992 when McFadden had in place several of San Diego's best local talent. Student-athletes, who in the past had looked outside the city to showcase their talents, were suddenly arriving at Alcalá Park. The 1992 Toreros showed remarkable poise under their leader, compiling a 19-5 record and advancing to the NCAA Championship Game.

The 45-year old McFadden seems to save his best coaching for the big games. Twice the Toreros have marched onto UCLA's home turf and walked away with stunning upsets over the heavily-favored Bruins. In 1994, USD shutout No. 6 ranked N.C. State, 3-0, in front of a national cable audience. USD can boast of a .600 winning percentage in NCAA games under McFadden's direction.

McFadden played collegiately at San Diego State, where he received a B.A. degree in History in 1976. That same summer he was with the San Diego Jaws of the North American Soccer League.

Keeping true to his native roots, McFadden took this year's squad on a trip to his homeland Ireland for exhibition games against Ireland and Britain's elite.

A native of Donegal, Ireland, Séamus and his wife Davette have two daughters (Hadley & Rorye) and a son (Conor). The McFaddens reside in Rancho Penasquitos.

HARRY TWEEDIE

*Assistant Coach
(7th Season)*

Assistant Coach Harry Tweedie returns for his seventh season at USD. A native of Belfast, Northern Ireland, Tweedie is a veteran of 16 years playing in many of his homeland's top leagues.

Tweedie immigrated to the U.S. in 1970 and since has had an extensive background in coaching and player development in this country. He was head coach of the San Diego Villa Under 19 team which captured the McGuire Cup as National Champions in 1979 and 1980. He will assist Coach McFadden with practice and game preparations, scouting and player evaluation.

ZIGGY ZIGANTE

*Assistant Coach
(1st Season)*

Assistant Coach Ziggy Zigante begins his first season with the Toreros as the team's goalkeepers' coach. Zigante has played indoor soccer professionally.

Setting

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcala de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's style.

The Campus

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style.

Since 1984, USD has completed nine major construction and expansion projects. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

Academics

USD enrolls more than 6,400 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

Student Life

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

Athletics

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team will begin its fourth season in the Pioneer Football League and the women's swimming team will compete in the Pacific Coast Swimming Conference. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won three conference championships and made 12 post-season appearances. USD also has had nine Conference Coaches of the Year, nine Conference Players of the Year, nine Conference Freshman of the Year, three WCC Scholar Athletes of the Year and 15 NCAA All-Americans.

Did You Know?

- USD was host to the last Presidential Debate of 1996 on October 16th. USD is one of three universities to host a Presidential Debate with Washington University (St. Louis, MO) and Trinity College (Hartford, CT) being the other two.
- In 1991 the Library of Congress chose USD (one of only 37 U.S. schools and libraries) to take part in its American Memory Project (AMP). Through the use of computers and TV monitors, students and faculty can call up original source materials from the Civil War, Continental Congress and other Library of Congress holdings.
